Scythe's first "single" socket CPU Cooler!

Scythe Co., Ltd (Tokyo, Japan) announces its single socket version of the popular value-for-money Katana CPU Cooler, "Katana775". All the features remain the same from the Katana CPU Cooler, but this 775 version provides the simple installation for LGA775 socket with the "push-pin" clips, which eliminates the "time-consuming" steps during the cooler installation. The fan speed is adjusted by the PWM signal from the motherboard. Super Light-Weight! Simple Installation! No Hassle! Try out the new Katana775 CPU Cooler!
